

ICERS 2026

TRAVEL GRANT

TRAVEL GRANT

We are pleased to announce that a limited number of travel grants will be available to support PhD students and young scientists attending the conference. Travel grants are intended to encourage the participation of PhD students and young scientists by reducing the financial barriers associated with attending the event.

We encourage all PhD students and young scientists who submitted abstracts to consider applying for the travel grant.

APPLICATION DETAILS

Travel grants are available exclusively to PhD students and young scientists (**under 35 years old**) whose full paper has been accepted.

Travel grants cover the registration fee and accommodation costs for 4 nights, breakfast included, at [Hotel International Zagreb](#) (30 June - 4 July 2026).

Eligible authors must apply for a travel grant via the [online form](#) until 1 April 2026.

Applicants must:

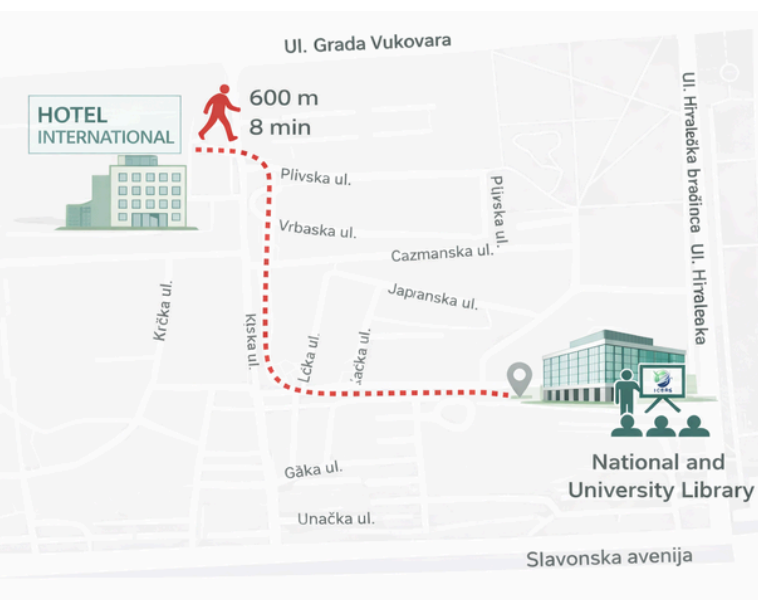

- receive a positive decision on the acceptance of their abstract
- submit their full paper to ICERS 2026

The documents required in the form:

- a cover letter
- a letter of institutional support
- CV
- a document verifying student status or date of birth

Applications for travel grants submitted without the full paper will not be considered.

The decision on travel grant awards will be announced on **1 May 2026** on the [conference website](#).
